On February 11, 2014, at approximately 12:40 hours, I was assigned to the Sandy Hook Elementary School, 375 Fan Hill Road Monroe, CT. I was contacted by Sandy Hook Elementary School [REDACTED] regarding a harassing telephone caller who was currently on hold. I answered the phone and asked how I could help the caller? The caller, a male voice approximate age in the twenties, stated he was looking for his son Adam Lanza. I asked the caller what his name was? He replied "Mr. Lanza looking to pick up his son Adam Lanza". I then identified myself as Officer [REDACTED] of the Monroe Police Department and asked why he was calling. The caller stated he was calling for Newtown schools not Monroe. I told the caller to stop calling and harassing the staff of the school. The caller stated he was calling from an unknown number so there's no way to be tracked. I told the caller to stop calling or he would see how he could be tracked or not. The caller hung up.

The caller immediately called back and stated in a fake weeping voice "I just got the news, my son is dead. How awful". The caller hung up again. Moments later the caller called again and stated [REDACTED] I then stated "If it will get you to stop calling, why don't you just say all twenty six names of the victims of Sandy Hook tragedy". The caller replied in a rapid voice with more names I couldn't make out and then laughed and ended with "Ha, Ha". He then hung up.

The calls came in from an Unknown number on the caller identification feature. The caller id listed the first of 4 calls received on 02/11/14 at 12:40 hours. I advised [REDACTED] to direct all future calls from this caller to the school's voicemail. This case is referred to the Detective [REDACTED] # [REDACTED] or follow up investigation to ascertain the phone number of the caller.

Arrest report

b7C -3

Throughout the day on 03/19/14, I received further information regarding phone calls/ threats made to schools in the United States that were scenes of shootings. I learned that on 02/11/14 at 1029 hours (MST), 1229 hours (EST), Arapahoe High School located at 2201 E. Dry Creek Rd in Centennial, CO received a phone call threat to burn down the school. A major police response ensued due to the previous shooting at the location. The response included multiple police officers and the Joint Terrorism Task Force for the area. The call had been recorded and it was tracked by Monroe CT PD, see previous report. I spoke with Sgt. [redacted] from the Arapahoe County Sheriff's Office who indicated that he was certain that school officials would want charges sought against [redacted] for their incident. I was able to obtain their report and he will forward specific victim information to me on 03/20/14.

b6 -2, 3
b7C -2, 3

After learning above, I advised Detective [redacted] to draft a search warrant for tools used in these crimes at the suspect's home address. [redacted] appeared at [redacted] PD voluntarily at our scheduled interview time (early arrival- 1530 hours EST). [redacted] although 17, wanted his mother present during the interview. I advised [redacted] that he was free to leave at anytime and not under arrest. He can decide to answer or not answer my questions at anytime [redacted] agreed to speak with me freely and voluntarily, witnessed by his mother. [redacted]

b6 -2, 3, 5
b7C -2, 3, 5

I started out speaking to [redacted] about the suicidal threat call [redacted] in which [redacted] PD officers responded to his home after he called an alarm company threatening suicide. [redacted] stated that he and a friend, only identified as [redacted] (18 yrs) decided they would make prank calls consistent with recorded calls they like viewing by a YouTube personality known as Ownage Pranks. He said at that time and on today's date that he was not suicidal, just making a phone prank. Note- No other party was with [redacted] when officers responded to the home. I further asked if he made any other similar prank phone calls in the last month's time. He stated that he has not. I then began going one by one through the recorded call logs forwarded to me by Monroe CT PD Detective [redacted]. One by one [redacted] admitted responsibly to the call, only agreeing to the information once I presented proof of the call. After going through all of the calls made on 02/11/14, I asked why would he do such things. Again he cited the phone prank YouTube Ownage Pranks and he said at the time he thought it was funny. He realizes now that he was wrong. Throughout my interview [redacted] was calm, stoic, and spoke very thoughtfully and intelligently. He claimed to be quite intelligent and he appeared to be so. [redacted]

[redacted]

[redacted] I asked [redacted] to explain the call to Arapahoe High School where he threatened to "burn down the fucking school." Again [redacted] said that it was only a prank and he meant no actual harm. I asked how [redacted] did his research of those shootings and he said he used his laptop and did simple Google searches [redacted] agreed to write a written statement and it will be added to the case file.

b6 -2, 3, 5
b7C -2, 3, 5

A [redacted] finished his statement, I spoke with [redacted] in the hall. I advised [redacted] that after learning the new information about a direct threat to a school which caused a significant police response and [redacted] confession to same, I felt it necessary to arrest him for Using a Telecommunication Device to Commit an Act of Terrorism. [redacted] was upset, but understood. I also advised her that we would be conducting a search warrant at her home to retrieve [redacted] computer and phone. [redacted] had [redacted] phone on her person and I took it as evidence. [redacted] was then handcuffed, advised he was being arrested for using a phone to commit an act of terrorism and booked in [redacted] PD detention. [redacted] had no personal items on him at time of arrest.

b6 -2, 3, 5
b7C -2, 3, 5

Detective [redacted] completed a search warrant for the [redacted] Address and we executed same at 1700 hours EST. Taken from the home was an HP laptop, a Kindle, a spiral note book, two older cell phones, and the previously reported LG cell phone taken from [redacted]. See Detective [redacted] supplement for details and Forensic examination of evidence.

b6 -2, 3
b7C -2, 3

I will be presenting a warrant to the [redacted] County Prosecutor's office on 03/20/14 reference this matter.

Case continuing.

On 03/18/14, I received a call from Detective [REDACTED] of the Monroe CT Police Department. He stated he was investigating a series of disturbing and harassing phone calls. He stated that Sandy Hook Elementary school had been moved to his jurisdiction after the school shootings that occurred there. Detective [REDACTED] agency continues to investigate any and all related cases coming into or stemming from the school. He stated that on 02/11/14, [REDACTED] received several blocked phone calls from a younger male who repeatedly references the shootings, claims to be a family member of the shooter, and then names all of the deceased children from the school. These calls happened multiple times. Detective [REDACTED] stated that he obtained an Ex Parte order and served same to [REDACTED] the phone carrier for the incoming calls. He received a credit card number that was used to purchase minutes on the pay-as-you-go phone. He again served a subpoena on the credit card bank and located [REDACTED] at the [REDACTED] address in [REDACTED]. Detective [REDACTED] then contacted me and asked for assistance in this matter. He also stated that in the course of his investigation, he determined that similar phone calls were made to Columbine, Virginia Tech, and Arapaho schools; all scenes of school shootings. I will follow up with those jurisdictions as well. In checking our in-house computer system, I located a 17 year old at the same address [REDACTED]. [REDACTED] had a recent contact with SHPD where he called a [REDACTED] County alarm company and threatened suicide [REDACTED] PD [REDACTED]. [REDACTED] PD officers met with [REDACTED] and [REDACTED] at that time. [REDACTED] stated that he was playing a phone prank and was not suicidal. The officers determined that no further action was necessary at the time.

b6 -2, 3, 7
b7C -2, 3, 7

At 1530 hours on 03/18/14, I attempted contact at the [REDACTED] address, but received no answer. I left messages on the phones as well as at the location. At the scene, I spoke with a person in the neighborhood who wished to remain anonymous. They stated that [REDACTED] was a decent young man until fairly recently. [REDACTED]

b6 -2
b7C -2

[REDACTED] I finally had phone contact with both [REDACTED] and [REDACTED] in the early morning hours of 03/19/14 and [REDACTED] agreed to bring [REDACTED] in for an interview.

Date of entry 03/25/2014

On 03/14/2014, Special Agent [redacted] Federal Bureau of Investigator (FBI), received a complaint by e-mail from [redacted] of the Newtown Bee newspaper, located in Newtown, Connecticut. [redacted] complaint was handled as follows:

On 03/14/2014, [redacted] forwarded to SA [redacted] 10 emails that he had received from [redacted] with whom [redacted] was previously unacquainted. On 03/18/2014, [redacted] forwarded 11 more of the [redacted] emails to SA [redacted]. On 03/19/2014, [redacted] forwarded nine more. The emails included links to YouTube and Facebook where there were references to the Sandy Hook Elementary School shooting as well as religious material. For the most part, the emails and linked material appears to be the product of unstable or delusional thinking. Much of it makes cryptic reference to the Bible and the Book of Revelations. Some of the comments could possibly be read as vaguely threatening.

b6 -1, 2, 7
b7C -1, 2, 7

In addition to the emails, [redacted] reported that the person sending the emails left an egg shaped paper Easter bag at the newspaper office. The bag contained:

To Special Agen [Redacted]

Perhaps this should be directed to the Newtown Police rather than you, but The Newtown Bee has received a number of cryptic and insistent emails in recent days from someone identified as [Redacted]. Normally, I discount this kind of stuff, but this guy seems to be unusually persistent and, notably, in close proximity. He placed a bag with an easter bunny, oddly unrelated business cards and a brochure, a greeting card with more cryptic observations inside, and a thumb drive. I am leery of checking the contents of the thumb drive for obvious IT reasons, so I don't know what's on it. (The contents of the bag he dropped off appear in a photo attached to a couple of the email messages here.)

The Black Horse Jumper is now reserved for Israel. Attached is a screen shot of the files. Each jumper has all the same evidence keys, but it now looks like each is going to be slightly different. If you look close, you might notice I added the SEAL to the magnetic folder and the White Horse wasn't carrying those flags seen in the PROMISED LAND folder.

1. Introductions

- a. BAU Mission
- b. BAU process of conducting a behavioral assessment

2. Summary of BAU Analysis

- a. The shooter had a complex background featuring many problematic bio-psycho-social issues. Historical, clinical, and contextual factors contributed to the shooter's extremely rigid and inflexible world view.
- b. The shooter did not "snap," but instead engaged in careful, methodical planning and preparation. There is evidence that the shooter began contemplating the attack as early as March of 2011.
- c. In the weeks and months immediately preceding the attack, the shooter's deteriorating relationship with his mother was a significant challenge and stressor in his life.
- d. The shooter was fascinated with past shootings and researched them thoroughly.
- e. The shooter shared many similar characteristics and behaviors with other active shooters.
- f. There is no evidence to suggest that the shooter viewed the attack as a "video game" or as a contest.
- g. There is evidence to suggest that the shooter had an interest in children that could be categorized as pedophilia. There is no evidence that he ever acted out on this interest.
